Doctor and Commander trained Professor to teach China's traditional secretive military systems and energy conditioning maneuvers at the highest levels as he represents them and their reputation is their life's work. Doctor specialized Professor's training in the three supreme systems in the world Qi Gong, Taijiquan, and Shaolin demands astronomical amounts of knowledge over 40 years of full-time training. Professor Dodaro for the first time is becoming internationally famous as his credentials are being presented to the United States Marines at Camp Pendleton, Homeland Security, and California Law enforcement agencies. Streaming online live prerecorded 100 video classes will be released in the near future circulating world web. China's traditional secretive military systems are enormous as Taijiquan and Shaolin required complete long and short weapon systems and combat tactical assault in addition the transformations of secretive energies, acupuncture energy field points, thrusting energy channels, meridian pathway channels, 13 organ systems, 78 organs, microvascular orbit of energy, dynamic biological life force system etc.

Doctor Zhang's comprehensive extensive methodology has taken Professor Dodaro to astonishing levels that consistently increase in daily training that has shown miraculous results in his teachings inspiring others to develop a healthy life. Spirituality escalates the imagination to search for the secrets of the universe to help mankind develop supernatural powers to find the pathway to enlightenment. Shen Psyche the conscious and unconscious mind is the command center that destroys psychological dependencies and psychoactive substance abuse that is vital to enjoy a healthy life. Modern psychology and psychiatry has discovered Qi Gong and Taijiquan practiced daily with therapy has better results than medication without side effects. Qigong the conditioning health Art that that has been researched is the best kept secret in medical history. Harvard Medical School "Health Care" is the Treatment and Prevention of Illness "Exercise is the best-kept secret in preventive medicine." http://www.health.harvard.edu/healthbeat/HB_web/the-health-benefits-of-tai-chi.htm "Tai Chi (Qigong Style) is often described as "meditation in motion," but it might well be called "medication in motion." There is growing evidence that this mind-body practice, which originated in China as a martial art, has value in treating or preventing many health problems."

Commander Koichi Tohei of Japan's Imperial Army, Founder of Shin Shin Toitsu Aikido, and Founder of KI NO Kenkyukai. Certified Joseph Dodaro Shoden fourth advanced level of KI Development (generate Internal energy force to execute pressurized exploding force) Shen Psyche Meditation August 25, 1986, and Associate Lecturer September 16, 1995. Master level of Kiatsu Meridian Energy Channels execute Acupuncture energy field points for combat and health. Commander Tohei came to Chicago for bimonthly seminars from Japan specializing in KI pressurized energy force strikes in Aiki-Jujutsu similar to Chen Qi pressurize energy force exploding strikes at a basic level but extremely effective. Chinese traditional systems execute combat energy conditioning over 7,000 years as Aikido was developed in 1945 and an excellent system. KI development testing was created by Commander Tohei that is ingenious using physical pressurized force to understand spiritual energy forces. Sensei Dodaro was the only American permitted to have dinner with Commander Tohei, Zen Priest Toyoda, and seven of his closest disciples each time they arrived in Chicago for seminars.

Zen Priest Shihan Fumio Toyoda Uchideshi under Doshu Kisshomaru Ueshiba Aikikai Hombu Dojo Japan certified Joseph Dodaro Sensei to Yodan in Aikido / Aiki-Jujutsu May 18, 1998 Private training in Japanese Military Police Traditional Aiki-Jujutsu and Aikido, Qinna joint locks, quick takedowns constrictions, and Tanto knife combat. Sensei Dodaro is internationally ranked and register at Hombu Dojo Japan. Sensei Dodaro trained a group of his Italian corporate executive's children in the aikido classes for several years and trained all the classes when Shihan Toyoda would teach seminars internationally. After the last class each evening Shihan Toyoda gave his disciple Joseph Dodaro a private training session in Aiki-Jujutsu as the dojo was changing to Aikido because of the amount of injuries from the explosive takedowns. The disciple began classes at 4pm to 10pm private session to 11pm weekdays as Monday, Wednesday, and Fridays he came directly from Commander Hsu's sessions. The disciple created incredible energies as he trained several hours a day since 14 years old and had a strong intuition that these magnificence teachers would return to their own countries as he vowed to accomplish his teaching degrees. Aiki-Jujutsu and Aikido gave the disciple tremendous amount of hours to combat training with high rank Japanese Sensei.

Professor Dodaro's intensive private training sessions with Commander Hsu, Doctor Zhang, and Shihan Toyoda 44 years over ten hours daily including his personal training in Special Forces combat energy conditioning traditional secretive systems and maneuvers energized extraordinary mental and physical conditioning without any fatigue. Special forces Assassins are the elite forces that train in elaborate secretive systems creating invisibility. Traditional secretive military system maneuvers develops, strengthens, and sculpts contractile muscles to receive instant signaling to engage in the assault executing devastating explosive force. Physically a combat maneuver twists and turns in a low cross leg Dragon motion that places tremendous force on bones through ossification generates bone marrow density simultaneously pressurized force increases muscle cell mass as Dragon executes entire routines in these low explosive maneuvers that have assassins move with the speed and agility of a Panther. Dragon in a static stance develop slow twitch muscles from fatiguing than quickly assaults in a dynamic movement that develops fast twitch muscles from fatiguing. Forearms twist close to the body make it impossible for the enemy to find openings or use techniques as the high density bone marrow can withstand powerful destructive force.
